

## BAKOcage WILDLANDFIRE

Operations in burning forest areas are extensive, lengthy and exhausting. The supply of water for firefighting is often complex and water is in short supply. The BAKOcage Wildlandfire was therefore specially developed for use with D-hose lines. The vegetation firefighting set offers a clean and clear solution for keeping the necessary fittings and hoses ready for use. With innovative features such as perfect ergonomics, maximum functionality and reliability, emergency services can focus on their tasks when fighting vegetation fires.

Product-ID	720202
Measurement	870 mm x 520 mm x 115 mm
Weight	5 kg
Material	Plastic/ Aluminium
