

ionic  
RESCUE

The IONIC Vapor is a high performance water operations safety helmet that delivers high impact protection along with superior comfort. The ABS shell is fitted with a high impact performance liner that provides maximum protection to the user.

Fitted with a fully adjustable 4 point chin strap and ratchet style cradle, providing all round adjustment ensuring the wearer has a comfortable snug fit. Its lightweight construction reduces fatigue when used for long periods and comes with a removable specially designed internal cushion liner for additional comfort that can be removed for cleaning/washing to remove any bacteria and perspiration.
